& RELIEF

IMYC

Irish Methodist Youth and Children's Department

WHAT IS HAPPENING?

Our Irish Methodist family has been shocked to see the violent invasion of Ukraine and the heart-breaking plight of its people. We have been advised by those responding on the ground, that financial support is currently the priority.

HOW CAN I HELP?

It can be so frustrating to see the devastation and chaos in our world, and we can feel helpless and defeated - but there are ways to help! Alongside continuing to pray for Ukraine, you can raise money to support those responding on the ground.

You may not have much money to spare, but you can most definitely take action and host a fundraiser to contribute to the emergency appeal. Whether you organise a group football match at school or with your church, sell handmade items, sing your heart out at a karaoke night or auction off your artwork - there are so many ways you can help and make a difference! Have a look at our A-Z list for some fundraising ideas!

HOW WILL THE MONEY MAKE A DIFFERENCE?

Money you raise will enable the Methodist Church in Ireland's sister churches in Ukraine and neighbouring countries to continue responding to refugee needs by providing shelter, food, water, clothing and transportation.

WHERE DO I SEND THE MONEY WE RAISE?

Contact our World Development & Relief office (worlddevelopment@irishmethodist) for information on how to send a cheque or make a bank transfer. Or start fundraising through our [JustGiving page](#).
